

Caringbytes Website

Computing Task 1

Logbook

- Week 5 - 24/5/25 - 12:31PM
 - I set up my preferred file structure for website projects.
- Week 5 – 24/5/25 – 12:39PM
 - I just got PWAs working, it only took 10 minutes. I am now removing that from the week 10 todos. Now I'm gonna try and download the Caringbytes logo from Teams.
- Week 5 - 24/5/25 - 12:43PM
 - I have successfully downloaded the Caringbytes logo.
- Week 5 – 24/5/25 – 12:57PM
 - I generated light and dark mode colour palettes, but they may change, light mode is above then dark mode

- Week 5 - 25/5/25 - 9:00AM
 - I have made it easy for me to change to light mode and dark mode from the html file
- Week 5 - 28/5/25 - 2:28PM
 - Viewed the official assessment notification, played around with the header and layout of the index page.
- Week 5- 1/3/25 - 4:00PM
 - Aim:

- Make gantt chart 
- Set up documentation
- Make header
- Get plausible start on homepage
